

Does Everyone Who is Eligible Receive a Teachers Loan?

Funds are appropriated annually for the SC Teachers Loan Program by the SC General Assembly. It is possible that funds will not be adequate to assist all eligible applicants.

Renewal borrowers will be sent a reminder to reapply.

Due to limited state funding, meeting all criteria and deadlines does not ensure your receipt of a SC Teachers Loan.

Questions and Answers

How Much Can I Borrow?

Freshmen and sophomores may borrow up to \$2,500 per year. All other students may borrow up to \$5,000 per year, up to a cumulative maximum amount of \$20,000. The loan may not exceed the cost of attendance as determined by the college's Financial Aid Office.

What if the Critical Areas Change Before I Begin Teaching?

The subject areas deemed critical at the time you receive your loan will be honored for forgiveness when you begin teaching. Geographic areas are defined annually and must be deemed critical at the time of your employment. We suggest you contact our office or visit our website for an updated list of geographic areas prior to signing an employment contract or to see FAQ's on loan forgiveness.

What if I Don't Teach?

If you do not become certified and/or do not teach in an area of critical need, you will be responsible for repaying the full amount borrowed plus accrued interest. Effective for loans disbursed on or after July 1, 2013, the interest rate shall equal the Direct Stafford Loan interest rate charged for unsubsidized loans to undergraduate students plus 2%, not to exceed 8.25%.

When Should I Apply for This Loan?

Students are urged to submit an application as early as possible. **The priority filing deadline is April 30.** Check with the Financial Aid Office at the college or university you plan to attend to determine any deadlines they might have as well as additional requirements. Please keep in mind you must submit the application to your school's Education Department who will forward it to the Financial Aid Office, so apply as early as possible.

Where Can I Get an Application?

You may obtain an application from your school's Financial Aid Office or by visiting www.scstudentloan.org to download an application.
